UC San Diego

Global Seminars

globalseminar.ucsd.edu

Why do UC San Diego students love Global Seminars?

- Global Seminars are UC San Diego faculty-led courses offered during Summer Session I or II.
- Enroll in two courses for a total of eight (8) UCSD units. All courses are taught in English.
- Class sizes = 15-28 students.
- Interact with some of the best faculty at UC San Diego.
- Scholarships available.

Type of Credit: UCSD Credit

Language: English

Timing: Summer

UCEAP

UNIVERSITY OF CALIFORNIA
EDUCATION ABROAD PROGRAM

Why do UC San Diego students love UCEAP?

- UC system's very own study abroad program.
- Earn UC credit, grades are calculated into UCSD GPA
- UC-based financial aid may apply.
- Scholarships available.

Type of Credit: UC Credit
Language: English or Immersion
Timing: Summer, Quarter, Semester, Year

Mechanical & Aerospace Engineering

Lund University, Sweden (UCEAP)

- Eligibility: Jr+, 2.75 minimum gpa
- Term: Fall, Spring, or Year
- No Language Requirement
- Wide offering of engineering courses

Other popular UCEAP options for MAE:

- Denmark (Tech U & U of Copenhagen)
- UK Schools
- Hong Kong (HKUST & U of HK)
- Spain (Carlos III)
- Taiwan (National Taiwan U)
- Others!

BioEngineering

Japan Universities

- **Universities of Osaka, Tohoku, Tokyo**
- **STEM Lab Research, Japan**

Other popular UCEAP options for BioEngineering:

- **Lund University, Sweden**
- **Carlos III U, Spain**
- **UK Schools**
- **STEM Lab Research, Taipei**

General Education!

Computer Science & Engineering

University of Edinburgh, Scotland (UCEAP)

- Eligibility: So+, 3.0 minimum gpa
- Term: Fall, Spring, or Year
- No Language Requirement
- Wide offering of CSE courses

Other popular UCEAP options for CSE:

- Sweden (Lund U)
- Denmark (U of Copenhagen)
- England (Imperial*, others)
- Hong Kong (HKUST & U of HK)
- Taiwan (National Taiwan U)
- Others!

Structural Engineering

How Shaky Structures Become the Safest Structures in Taiwan Taiwan (Global Seminars)

- SE 164GS: Sensors and Data Acquisition for Structural Engineering
- SE 167GS: Signal Processing and Spectral Analysis

Other popular UCEAP options for Structural Engineering:

- U of Lund, Sweden
- Berlin Summer
- Australian Universities
- Others!

Nano and Chemical Engineering

Japan Universities

- Universities of Osaka, Tohoku, Tokyo
- STEM Lab Research, Japan

Other popular UCEAP options for NanoEngineering:

- Lund University, Sweden
- HKUST
- UK Schools

General Education!

Electrical and Computer Engineering

Technical U Summer, Germany (UCEAP)

- Eligibility: So+, 2.75 minimum gpa
- Term: Summer
- No Language Requirement
- Engineering courses

Other popular UCEAP options for ECE:

- Yonsei, S. Korea
- Australia (U. of Sydney, Melbourne)
- Japan Universities
- Lund U
- Others!

EXCHANGE

Why do UC San Diego students love Global Exchange?

- Bilateral partnerships with UC San Diego, exclusively for UC San Diego students.
- Stay enrolled at UC San Diego, pay regular UC San Diego tuition and fees, and have access to usual financial aid.
- Courses may fulfill major and college requirements.
- Scholarships available.

Type of Credit: Transfer Credit

Language: Mostly English

Timing: Fall, Spring, Academic Year

Global Exchange

Collegio Ghislieri - Pavia, Italy

Eligible Majors: Any Engineering

École Polytechnique - France

Eligible Majors: CSE, Economics, Mathematics and Physics

Hanyang University - Seoul, S. Korea

Eligible Majors: Any Engineering

Korea Advanced Institute of Science & Technology - Daejeon, S. Korea

Eligible Majors: Any Engineering

Kyoto University - Kyoto, Japan

Eligible Majors: Any Engineering

Osaka University - Japan

Eligible Majors: Any Engineering

Technical University of Denmark

Eligible Majors: Any Engineering

Universidad Pública de Navarra - Spain

Eligible Majors: Electrical and Computer Engineering and Mechanical and Aerospace Engineering

Zurich University of Applied Sciences - Switzerland

Eligible Majors: Mechanical and Aerospace Engineering

UC Davis Summer 2025

Summer Engineering Opportunities

Google:
"UC Davis Summer
Study Abroad Engineering"
for more info

ENGINEERING AND COMPUTER SCIENCE Internships

Tokyo, Japan

Intern in innovative and high-tech Tokyo to advance your career goals.
Dates – June 19–August 18, 2025

Seoul, South Korea

Intern in information technology and computer science in Seoul to advance your career goals.
Dates - Summer 2025 (Dates: TBD)

Barcelona, Spain

Spend the summer on the coast of the Mediterranean in dynamic Barcelona as an engineering intern.
Dates – June 18–August 1, 2025

***These three internships fill quickly - students should stay in touch on UC Davis' website and follow the instructions when prompted to sign up, etc.

ENVIRONMENT, GREEN TECH, SUSTAINABILITY Internships

Sustainable Urban Systems

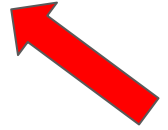

Delft, Amsterdam, Netherlands
Dates – August 2–23, 2025

**Building Sustainable Water Treatment Systems:
Monterrey, Mexico**
Dates – June 30–July 26, 2025

**Thermodynamics in the Land of Fire and Ice
Reykjavik, Iceland -Dates: June 18–July 16, 2025**

Next Steps

studyabroad.ucsd.edu

Complete the Study Abroad Get Started Course

Course consists of three short modules that explain what you need to know as you get started researching, selecting, and applying to a research abroad program.

Talk to your academic advisors

Narrow the scope of what you're looking for (degree requirements, restrictions, graduation timing, etc.)

Review programs for best fit

Eligibility, dates, courses, cost, overall experience

Review financial aid & scholarship information

Get a financial aid package estimate for your program of interest and ask any other questions!

Apply for a program!

Be sure to review the program's application and deadline information: studyabroad.ucsd.edu
